

A breakfast event to benefit Jane Doe Inc.

May 25, 2017

SPONSORSHIP OPPORTUNITIES

With your help, Jane Doe Inc. will work with our members, community partners, elected officials, and civic leaders to promote safety and justice for victims and survivors by addressing the diverse and intersectional experiences and needs of survivors and entire communities. Together we can take action to prevent conditions that enable sexual and domestic violence to flourish and advance the cause of justice. Your charitable contribution is an investment: an investment in the possibility of prevention and the power of social change.
